

# Ceramic Fibre Tape

**UP TO 2 HR FIRE RATED**

Fire & Acoustic Seals' **Ceramic Fibre Tape** is made from ceramic fibre paper which has a self-adhesive coating and a removable backing paper for ease of handling. It will easily adhere to most clean, dry surface types including glass, metal and plastic laminates. It is ideal for use as a bedding material for fire resistant glazing systems in commercial buildings and fire doors.

**Ceramic Fibre Tape**
