

FAS60-180 Door Brush Seal

180° Angled Brush Seal

A sleek, surface-mounted seal designed for installing on the outside face of doors to reduce noise and draughts. Crafted from durable aluminium alloy, the FAS60-180 combines long-lasting performance with a clean, contemporary look that blends seamlessly into any space.

Features & Benefits

- ✓ 1000 and 2000mm lengths
- ✓ Supplied brush heights of 15mm or 25mm
- ✓ Construction colour: silver and black
- ✓ Durable aluminium extrusion with polypropylene brush
- ✓ Easy to cut to any desired length
- ✓ Built-in brush can be drawn out for easy cleaning or replacing
- ✓ Suitable for hinged, sliding and garage doors
- ✓ For installation to the outside face edge of a door using heavy-duty self-adhesive tape or screw fixing. Screws are supplied.

FAS60 Brushes are available in heights of 38mm and 50mm which are sold separately.

Areas of Application

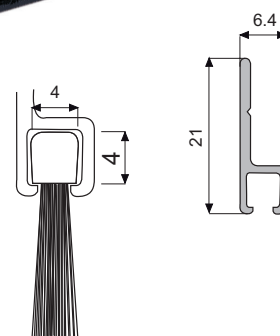

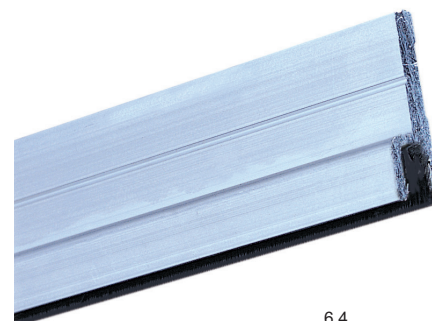

- ✓ Timber, composite and metal doors
- ✓ Sliding doors, garage doors & screens
- ✓ Domestic, industrial and commercial

Packaging

Each product will be fully assembled with the relevant brush seal.
